News & Information Newsletter

Dear Kingsbury,

Here's the latest on what's going on in Kingsbury!

Water Distribution

The county is sending water to the Kingsbury Volunteer Fire Department today for distribution to those in the Kingsbury area.

There will probably be a limit on the amount a person can take so that everyone can get some that needs it. Please let your neighbors know that may be looking for water.

The [Kingsbury webpage](#) will keep updated with the latest on the water situation as we get more information.

Know someone that should be on the Kingsbury Newsletter eMail List?

Send them this email! All they need to do is go to the [Kingsbury website](#), click on the weird little **dog** at the bottom of

any page, and fill out their name and email address. It's so easy! Let's get everybody to be "in the know" about what's going on in their community.

Thanks!
