Motorcycle Grand Tour of Texas

The 2023 Motorcycle Grand Tour of Texas has 50 stops where riders can collect points. And Kingsbury is the only stop in the area between Austin and Lewisville and between San Antonio and Galveston!

If you see riders taking **pictures** in front of the old post office, they're getting 5 points. There's been some great people stopping by and enjoying Kingsbury!

33. Former Post Office in Kingsbury, TX = 5 points

The Maurer Lumber Company in Kingsbury was owned by Fritz and William Maurer. It was located on or near the corner of Railway and Forcey Streets.

The "Lumber Office" picture may be of one of the Maurers holding the clipboard with the handsome arm **garters** on his sleeves. The company was advertising the "Banner Buggy" on the front by the door and also below the porch to the right of the steps. The Banner Buggy Co. (1880-1921) was the largest horse-drawn vehicle manufacturer in the nation so it was probably good business to sell their wares. The horseshoe-shaped piece in front of the window on the left looks like a rib or "bow" from a covered wagon.

By 1916, the Lumber Company had started advertising Garland Stoves and Ranges, had quite a selection of different fencing materials, and what looks like a water silo to the left of the building.
